OSG Billing Services Executive to Speak at GRAPH EXPO

Richard Hoffman to Discuss Technology and Trends at Leading Graphic Communications Show

ENGLEWOOD, NJ – September 9, 2011 - OSG Billing Services (OSG), a leader in the presentment and distribution of transaction documents, has announced that Richard Hoffman, Chief Technology Officer at OSG, will be speaking at Xerox booth # 400 at GRAPH EXPO discussing the latest technology, trends and applications that set OSG apart as a true full-service transpromotional provider. The session will occur during GRAPH EXPO on Monday, September 12, 2011 at 11:00 a.m., at the McCormick Place South in Chicago, IL.

As an industry expert, Hoffman will join Peter Muir, renowned print industry analyst and president of Bizucate, as well as other analysts to discuss how they are achieving results using innovative technology.

Hoffman is responsible for the tactical planning and development of new technologies at OSG. For almost 20 years, he has pioneered methods and processes that continue to ensure the company's commitment to best in class technology.

GRAPH EXPO has become one of the graphic communications industry's top trade exhibitions and is a destination for top executives to learn, network and make informed intelligent purchasing decisions. GRAPH EXPO is a large press Offset, Digital and Hybrid Printing show with Commercial Printers in Digital Document Applications & Business Development, Education, Technology & Workflow Solutions.
