OSG Billing Services Moves New Jersey Production Facility to Larger Location

ENGLEWOOD, NJ – July 1, 2010 – OSG Billing Services, a leader in the presentment and distribution of transactional documents, today announced that it has completed the move of its Englewood, New Jersey operations and data center to a new location in Carlstadt, New Jersey. This move significantly increases our production capacity and improves the overall flow of our production processes. In addition to the print and distribution center, the new location will include technical, project management and client relations. Corporate headquarters will remain at its current location in Englewood, New Jersey.

"The expansion was fueled by the steady strategic growth we have experienced in recent years," said Hank Riner, CEO of OSG Billing Services. "The new facility will enable us to successfully meet the growing demand for our services and provide us with room to enhance our operations in the years to come."

With its additional production centers in Tempe, Arizona and New Berlin, Wisconsin, this new location reinforces OSG Billing Services ability to provide clients with a powerful platform and an unparalleled level of service.
