OSG and Paraco Celebrate Ten Year Partnership

RIDGEFIELD PARK, NJ – October 10, 2016 - Output Services Group (OSG), a leading provider of outsourced billing and statement services and customer communication management, announced today that it has extended its long-term partnership with Paraco Gas. OSG and Paraco have been in business together for 10 years and Paraco will continue to take advantage of OSG's Print and Mail Solutions for their invoices and statements. Paraco will soon begin to utilize OSG's Full Color Dynamic Messaging and OSG's advanced, data-driven application Campaign Composer to promote key marketing initiatives to any segment of the customer base.

"OSG is very excited to be reaching this milestone together with Paraco," said OSG Vice President of Sales, Louis LaNeve. "Thanks to OSG's multiple production facilities strategically located across the country, we have been able to expedite the printing and mailing of Paraco's invoices and statements and help increase the revenue stream."

"We have enjoyed working with OSG over the past decade," said IT Director of Paraco, John O'Shea. "Our invoices and statements reach our customers in a timely manner and in the near future we hope to take advantage of implementing OSG's messaging capabilities to better reach our customers. We also were pleased with the work OSG did to help our partner brand Kosco, a recognized heating and home comfort leader in the Hudson Valley, convert to a new full color co-branded logo."
